

APRU Presidents Open Forum

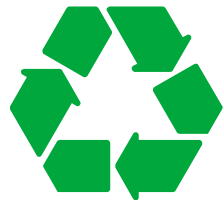

June 29, 2009

*Hiroshi Matsumoto
President, Kyoto University*

A new realistic target for humanity: from “sustainability” to “survivability”

(1)

**The focus of
Sustainability:**
recycle, reduce
& re-use;
clean development

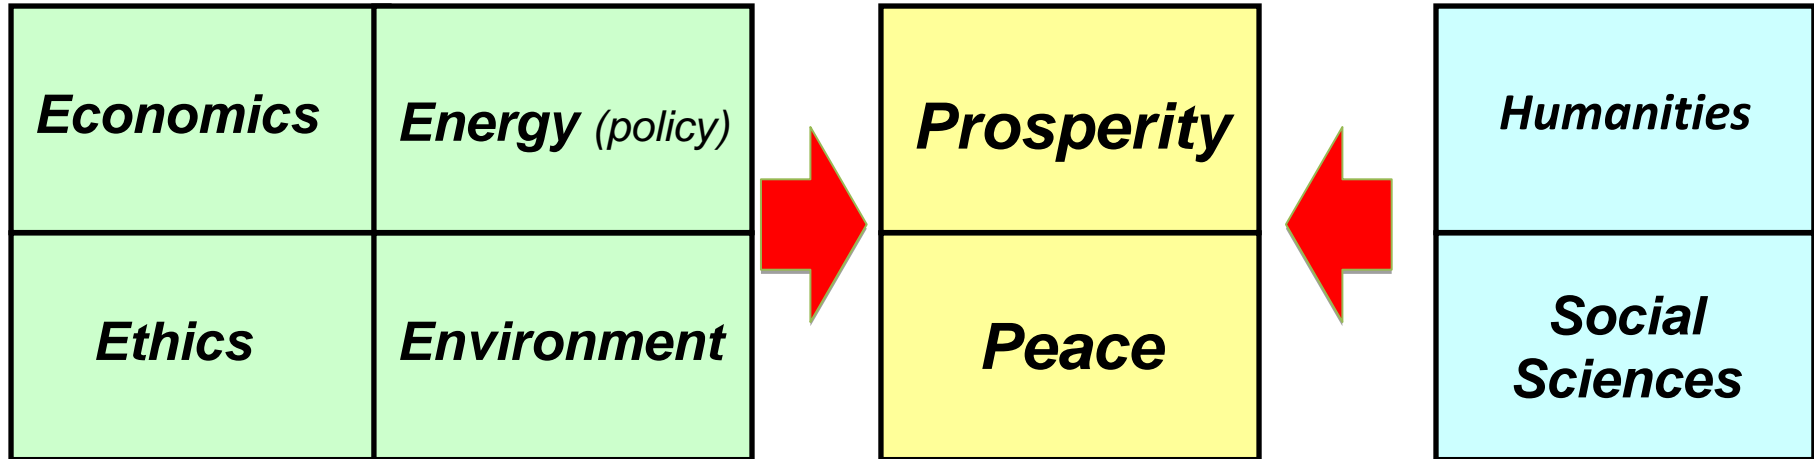

Limitation exceeded

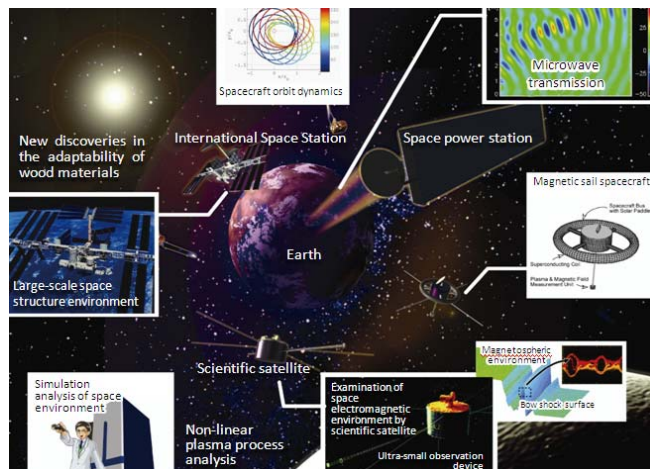

The focus of Survivability:
Competition on various levels:
between individuals,
organizations, countries

**Not survival of the fittest, but
with a spirit of harmony**

Survivability in four 'E's & Two 'P's

(based on the four themes of the 2009 G8 University summit)

Role of APRU Universities

- Understand the Problems
- Educate future leaders
